MEMORANDUM FOR THE DIRECTOR

1. This memorandum is for information only.

2. []

Speaker

John McCormack told him that there is growing comment in the House that there should be a watchdog committee for CIA. [] quotes McCormack as saying that the idea seemed to have died down but now is lively again.

3. [] also claimed that there is a feeling in the Foreign Relations Committee that they have been neglected by CIA and that they being a powerful committee, should be briefed more often, at least as often as the CIA committee. [] volunteered that Mr. McCone might well get in touch with the Foreign Relations Committee and give them a briefing on the world situation.
